Shorthorn Cattle

Consisting of

22 Bulls and
31 Females

Ft. Dodge, Iowa

Thurs., Oct. 29th

Announcement

TWENTY-TWO bulls of excellent type and good breeding are listed in this catalog and will be for sale in this auction. Some of them have good show records. All of them are of the breed improving type. They are from the best Scotch families and are sired by well known herd bulls. Breeders of pure bred cattle will add prestige to their herds by using these bulls. Farmers will improve their herds and all will find the purchase of these herd bulls to be a profitable investment.

There are thirty-one females in the sale and nine of them now have calves at foot that sell with them. There are a few open heifers by good sires and the rest of the female offering consists of choice cows and heifers that are well along with calf to the service of many of the best bulls in the three states from which these consignments have come. All who know Shorthorns will recognize that these are of top breeding. When you see the cattle you will not be disappointed in their quality and character. Some of the heifers have been shown and have won this year.

Do not pass over this catalog lightly. Study it and then come to the sale. Every entry is a good one and will make you money if you buy it.
